

## Report from Stowupland Ladybirds 2024/25

This being our 4<sup>th</sup> year running as Stowupland Ladybirds, we have welcomed more ladies throughout the past few months and now have over 35 members.

Thanks to the money we received last year through Mid Suffolk grant scheme, the projector has been used for visiting speakers, and every month the mugs and large teapot are used by us all.

We have enjoyed a real variety of speakers this year, travel, history, precious stones, veterinary practice, bees and a musical evening for our Christmas celebration with friends and partners to swell the numbers for the cheese and wine party.

A summer day meeting for lunch and sewing together, a coach trip to Southwold for a theatre show and a Christmas meal out at Claydon Hotel are some of the events we enjoyed as a group this year.

Looking forward to the coming year when we have lots of nice things organised.

Colleen Buckle
