

Stowupland Sports & Social Club Report

Hi All

We've had a very positive year compared to the previous 12 months, yes December, January and February were testing with the weather, but we've managed the situation very professionally. Bookings at Village Hall have been steady including the Quiz evenings.

A wonderful summer has brought out the people who enjoyed and competed in the cricket matches, practice sessions and the kids section with excellent numbers to support them.

Stowupland Falcons end of season award evening was well attended in May as was the 5 aside which took place in June over the weekend.

We hosted The Walkers cup which took place in September between Stowupland and Old Newton helping with refreshments.

September also saw the final few weeks of cricket and football starting again.

October Falcons organised a Halloween Party then in December the Hamper evening.

We also held a wake for a dear friend Mally List from the Village who enjoyed the odd evening in the clubhouse.

We are excited by the prospect of the refurbishment happening hopefully not too far away where I personally think will be fantastic for all the community.

Kind Regards

Mark
