Change of Route to Bus VC001

Your bus service **to and from Stowmarket** is now a year old. We have enough funding for another year and we will be working to try to keep it going after that. Since January the single fare is just **£3** and **it's free for those people with concession cards after 0930!**

We are pleased to announce that there will be a **slightly new route as from 1st September 2025**. Passengers will now be able to stop and board at Tesco. There is an hourly service – Bus 87A – to and from Tesco for people who want both Tesco and the town. The new route will also avoid the railway crossing.
